NO FLATS GUARANTEED

## NO FLATS GUARANTEED.

- ▶ The only eco friendly solution making flat tires a thing of the past.
- ▶ No one likes getting a flat tire.
- ▶ Let's face it, no one likes getting a flat tire but in the fleet transportation world unexpected flats are more than just an inconvenience.
- ▶ Flats affect driver safety, cargo delivery times, and consumer satisfaction.
- ▶ That's why Everide Global is the right partner for you.
- ▶ Our lab and road-tested High-Density Tire Synthesis Formula (HD-TSF) is non-toxic, eco-friendly, and installs in minutes.

QUICK FACTS

# DRIVERS & TIRES

81%

of drivers don't  
properly inflate  
their tires

60%

of drivers don't  
know how to  
change a flat  
tire

25%

of tires are  
severely under  
inflated

The logo consists of a large blue circle. Inside the circle, the words "Everide Global" are written in a green, sans-serif font. Below this, the phrase "No Flats Guaranteed" is written in a smaller, blue, sans-serif font.

# What is Everide Global Tire Sealant?

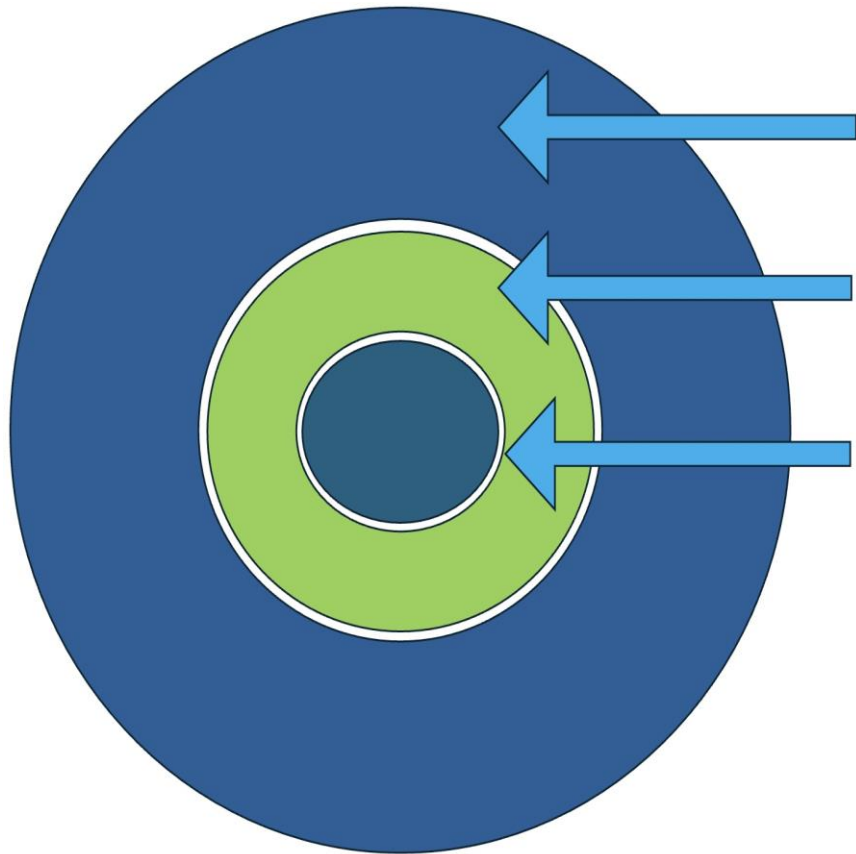

- ▶ Everide is a lab and road-tested High-Density Tire
- ▶ Synthesis Formula (HD-TSF) that is non-toxic, eco-friendly, and installs in minutes.
- ▶ Everide is designed to eliminate slow air loss inherent in all rubber tires.
- ▶ By maintaining air pressure and subsequently reducing road friction and tread loss, we extend the tread life.
- ▶ Everide HD-TSF will last the life of the tire and will not void the factory tire warranty.

# INSIGHTS: How Everide Global Tire Sealant Works

# Everide Global

- ▶ Our revolutionary formula creates a protective layer which provides a quality seal that will adhere to the tire permanently. Everide also helps prevent tire vibration at high speeds and actually stabilizes tires for maximum safety.
- ▶ Exterior Tire Tread - Crown - Sidewall
- ▶ Everide Global Non-Toxic Solution
- ▶ Interior Tire Elements

# Easy Installation

1.

Unscrew Valve &  
Deflate
